

Beirão d' Honra – 70cl

HISTORY

José Carranca Redondo, the true "father" of Licor Beirão was born on April 29, 1916. To conclude a year of celebrations for the centenary of the founder of the iconic Portuguese brand, the Redondo family created the "**Beirão d'Honra**".

This is a special recipe, created by the second and third generations of the Redondo family. As its name suggests, this new product is a symbolic tribute, which aims to honor the memory of the patriarch of this family and the "father" of Licor Beirão.

José and Ricardo Redondo, respectively son and grandson of the founder, have developed for months the recipe of this new product and proudly show the result of this innovation never before made by the brand.

Designed with the same spices and aromatic plants that make up the original recipe, this new liqueur is enriched with aged wine brandy.

The **Beirão d'Honra** promises to pay homage to the life and personality of José Carranca Redondo. **Let's toast in his honor!**
