Aperitivo / Apéritif

Per Se

ABOUT

Late afternoons with riverside tours. Terraces filled with friends. Mild temperatures and an orange horizon with touches of red warm, provided by the sun that is hiding in our young Lisbon.

In Portugal, we know that this scenario is only complete with a glass, ice and the sunset colour of an aperitif created with 24 botanicals that combine in a unique blend.

This is the well-guarded secret that brings us the light, the colour and the essence of southern Europe in one drink.

A secret called Per Se.

INGREDIENTS

Water, alcohol and 24 distilled and macerated botanicals.

COLOUR / NOSE / TASTING NOTE

A bright warm orange that when light gets through reminds the iconic sunsets of the south of Portugal.

Aroma with hints of cardamom, orange, Jamaican pepper and Portuguese hop give this aperitif a balanced refreshing twist that makes us rewind to the best summer days.

The flavour is complex on its ingredients, but uncomplicated on the glass. Light, sweet, citric from the orange peels and small bitterness on the palate due to the hop.

All its 24 botanicals contribute to a rich ensemble of flavours.

With a smooth and citric finish that lingers on the mouth and nose.

PERFECT SERVE:

Add 7cl of Per Se on the rocks with a zest of orange for a citric touch.
